Return to School Policy

COVID protocols supersede policies/ timelines and symptoms listed in this policy at this time.

Staff or students with a temperature of 99.6°F or above (contactless or tympanic) or other signs of illness will not be admitted to the facility nor permitted to return until they are symptom free (of any COVID-like symptoms) for **48 hours** without the aid of medication. MTKA policy will follow the most current recommendations from Health & State Officials. Families will be notified of any updates via email provided at registration.

It is crucial that we have a **current and reliable** phone number for you during the day.

Sick children and adults should not enter the building. If you are ill or have a sick child with you, please notify us and make arrangements for drop off and pick up of your well child. Please call us upon arrival at My Time and we will help you escort your well child to and from class.

Children experiencing any of the symptoms outlined in the Health, Illness & Incidents section of the My Time parent handbook may return to My Time:

- 48 hours after temperature has remained normal **without** the use of medication.
- 48 hours after initial dose of antibiotics (including topical ointments).
- No episodes of diarrhea for a full 48 hours, **without** the aid of medications.
- No episodes of vomiting for a full 48 hours, **without** the aid of medications.
- With written documentation from a medical professional confirming that the child is no longer contagious and may resume regular activities.

If your child becomes ill while at My Time, you will be notified immediately and expected to arrange pick up of your child within 30 minutes of being called. In the event that a parent cannot be reached after a period of time or is unable to promptly pick up the child, a person listed on the child's emergency contact list will be notified and asked to come for your child. In most cases, the child will be in the front office with the Director or other staff member until the guardian can arrive to pick up the child. **Students with a temperature of 99.6°F or above (contactless or tympanic) or other signs of illness will not be permitted to return until they are symptom free (of any COVID-like symptoms) for 48 hours without the aid of medication.**

Children who are seen by a physician for symptoms of a common cold, allergies or other viruses are not required to provide a doctor's note but must follow the ~~24-hour policy~~ **(this policy is currently extended to 48 hours due to COVID protocols)**. "Return to school" notices from doctor's will not take the place of the 48 hour rule at this time. Please notify the director if your child becomes ill with a contagious disease so parents of other children may be notified. The diagnosed child will remain anonymous, however we are required to alert parents that their child may have been exposed.

Parents will be notified by phone if your child is injured, or has any symptom requiring exclusion from regularly scheduled activities. It is My Time's policy to call parents any time that a child in our care bumps their head. If the injury results in an emergency room visit or doctor's office, you must notify the director within 24 hours.
